"AN ACT CONCERNING SPECIAL PAROLE."

1 After line 27, add the following:

2 "Sec. 2. (NEW) (*Effective October 1, 2002*) (a) The Board of Parole shall
3 establish and maintain a listing of all persons sentenced to a term of
4 imprisonment and a period of special parole as provided in section 54-
5 125e of the general statutes, as amended by this act, for an offense that
6 requires registration under chapter 969 of the general statutes.

7 (b) Prior to placing the name of any such person on the listing, the
8 board shall hold a hearing at which such person shall have the burden
9 of proving, by a preponderance of the evidence, that including such
10 person on the listing is not required for public safety.

11 (c) In determining whether to exempt such person from the listing
12 requirements of this section, the board shall consider the nature and
13 circumstances of the offense, the criminal and noncriminal behavior of

14 such person both before and after the conviction, the likelihood of such
15 person reoffending, the danger such person poses to the community,
16 and any other factors it deems relevant.

17 (d) If the board finds that including such person in the listing
18 maintained by the board is not required for public safety, it shall
19 exempt such person from inclusion in the listing.

20 (e) Such listing shall contain a person's name, photographic image,
21 criminal history record and residence address. The listing shall be a
22 public record and shall be accessible to the public during normal
23 business hours. The board shall make information in the listing
24 available to the public through the Internet."
